

Who are NF2 BioSolutions UK?

NF2 BioSolutions UK are the UK charity arm of NF2 BioSolutions, a non-profit, patient led organisation. Our purpose is to increase awareness of NF2, connect patients for support and offer hope to patients & their families.

We are run entirely by volunteers.

We are the only UK charity fundraising to advance gene therapy and immunotherapy to treat or cure NF2.

What is NF2?

NF2 affects about 1 in 35000 people worldwide across all races, genders and ethnicities. NF2 is characterised by multiple tumours in the central and peripheral nervous systems.

NF2 causes a range of symptoms from Tinnitus, Deafness, Balance Dysfunction, Dry Eyes, Facial Paralysis, Seizures, Vocal chord Paralysis, Blindness, Skin Plaques, Foot or Wrist Drop, Club Foot & Muscle Atrophy to name just a few.

There is no cure
